(i) Mr J. V. Kave, Dir of Health makes three
requests:

(i) Two months leave from 23.7.35 preparatory
to retirement (from 23.9.35)

(ii) Consideration of a shortage of 8 months
in his service for completing 25 years of
service.

^{To Count}
(iii) The probationary period of two years
towards pension.

2) Regarding (i) the Comptroller has been
separately requested to furnish a leave
certificate showing the amount of
privilege leave at the credit of the officer.

3) Regarding (ii) Mr Kave joined service
on 23rd May 1911. He was on probation for
two years. He became superannuated
on 23.9.1933. Two extensions subsequent
to his superannuation were granted to
him. The present period of extension

expires on 23.9.1935 and a decision has already been reached that he is to retire from service from that date. The total period of service put in by him by him, therefore, comes to 24 years and 4 months including the probationary period for two years at the commencement of his service. ~~He~~ ~~request~~ Thus there is a deficiency of 8 months ~~of service~~ to make up a service of 25 years. He requests to be permitted to count for service the period between 23rd Sep. 1935 and 22nd May 1936 i.e. 8 months to complete 25 years service.

Under Art. 272 M.S.R. Govt may condone a deficiency not exceeding 12 months. The condonation of the deficiency of 8 months is for order.

4) Lastly, Mr. Karve requests that he may be permitted to count the period on probation, towards service. Under Art. 235 M.S.R. the service of a Probationer who holds a Substantive Office and draws Substantive pay, qualifies for pension. According to G.O. No. 9517-8/Med. 171-10-3 of 18th May 1911 Mr. J.V. Karve was appointed as Asst Surgeon and posted for duty to the General Hospital, Mysore. It also directs that he will be on probation for two years and on continuation he treated

Final Note by the Second Member of Council.

Subject.—

Grant of leave to Dr. J.V. Karve and consequential arrangements.

I beg to invite kind reference to my Final Note dated the 27th May 1935, and His Highness' orders thereon approving of the proposal to grant to Dr. J.V. Karve, Director of Health, privilege leave for two months from the 23rd July 1935 preparatory to his retirement from service (from the 23rd September 1935) and to appoint Dr. P. Parthasarathy to act as Director of Health vice Dr. Karve.

Dr. Parthasarathy has since returned from America and reported himself for duty, and he has to be found a place until he could assume charge of the office of Director of Health. Before he left for America, he was Health Officer of the Bangalore City Municipality, but if he is sent to that post for a short period, it will involve much inconvenience and dislocation of work. I, therefore, suggested that the best arrangement would be to allow Dr. Parthasarathy to work in the Head Office for some time and acquaint himself with the details of the administration of the Department and to permit Dr. Karve to proceed on leave a month earlier i.e., with effect from the 23rd June 1935, and appoint Dr. Parthasarathy as acting Director of Health from that date. Under the strict application of the rules, Dr. Karve is not entitled to the extra month's leave now proposed to be granted but on account of administrative convenience, it is proposed to grant the leave as a special case.

The Dewan and the First Member of Council have agreed to

the above arrangements and in view of the urgency of the matter,
